## SUDHIR SETH

Chairman & Managing Director

### Seasons Greeting & A Happy New year !

2019 has been a year of intense socio-economic development both within India and globally. Whilst businesses are responding to these changes at the same time accelerated development and breakthrough technologies are constantly shaping our lives.

Our brand promising, “Powering the Nation” aptly sums up what we stand for the value we deliver to our customers. Customers and our team will always be the core of our business focusing on Ethical Governance, Customer Responsiveness, Operational Excellence and Training.

It’s always a great pleasure for me to share our company achievements with you, who have contributed and supported at each step in achieving our milestones. Innovation and development is not creating something new but redefining the existing things in a modern way. We are constantly overcoming our yesterday, to ensure we gear up for tomorrow.

Sudhir Group has through its energy solutions touched all market segments i.e. IT industry, FMCG, Refineries, Educational institutes, Real estates, hospitals, Govt. projects, Metros, Hospitality, Marine this year with a vision to embrace the world.

We are happy to announce few new projects bagged with Border Security Force & Airports across India & are also adding new machines to our fleet of access and material handling equipment. We are also introducing a mix of smart products, facilities matching global standards, increased focus on collaborations and new technology applications.

Our success lies in our diversity which contributes immensely to the growth of our group. On one hand our diversity and on the other hand our Group’s entrepreneurial spirit has led to its sustained success over the years. Safety, Service and Quality are the cornerstones on which we have traversed our journey to growth and that alone set us apart.

This issue provides an overview of energy solutions, technologies, our projects & installations, aerial work platforms, events etc. along with the social responsibility towards society.

**Happy Reading !**

**Sudhir Seth**  
Chairman & Managing Director
